

One of the world's largest trade show and conference of Embedded Technology & IoT Technology

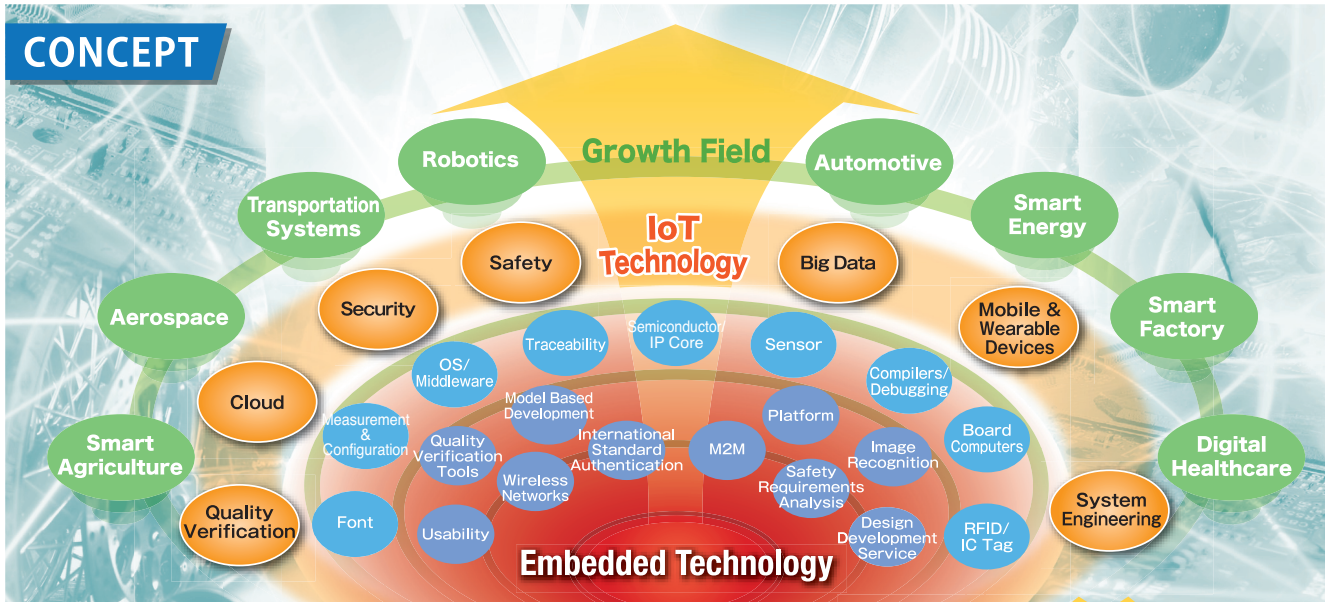

Featuring Leading Edge Technologies & Solutions

Embedded Technology 2016

IoT Technology 2016

▶ DATE **Nov. 16th Wed. - 18th Fri.**
 10:00a.m. - 5:00p.m. *open until 6:00 p.m. on Nov. 17th.

▶ VENUE **PACIFICO YOKOHAMA, Japan**
 Organizer: **Japan Embedded Systems Technology Association (JASA)**
 Event Planning and Promotion: **JTB Communication Design, Inc.**

APPLY NOW!
 Application Deadline:
June 30, 2016
 Payment Deadline:
July 29, 2016

Exhibition Products and Services

Embedded Technology 2016

Hardware Solutions MPU/MCU, DSP, System LSI (ASSP/ASIC), IP Core, FPGA/PLD, Smart Card, Embedded Platforms, Board Computers, Wireless Networks (802.11x, Bluetooth, UWB, etc.), Interface Technologies (IEEE1394, USB, etc.), Power Supply/Management, IC Socket, Back-Plane, etc.

Software Solutions RTOS, Device Drivers, Firmware/Middleware, Internet Related Technology (Browsers, etc.), Database, Security Technologies (Encryption/Decryption, etc.)

Development Environments and tools Programming Languages (C/C++, Java, HTML/XML, UML, Compilers/Assemblers), In-Circuit Emulator and Debugging Tools, EDA/System Design Tools, Measurement & Instruments, Project Management Tools, Configuration Management Tools

Others System House, Design Service Firms, System Integration Companies, Technology Promotion Organizations, Publishers, Universities/Research Organizations, etc.

IoT Technology 2016

Semiconductor Devices in IoT, Wireless Sensor Networks/M2M Technologies, Remote Control Monitoring System, Wireless Networks (Wi-SUN, Wi-Fi, Bluetooth, Zigbee, NFC, etc.), Wearable Devices, ITS System (Vehicles, Traffic Management System, etc.), Data Analysis Technologies, Engineering Design of IoT Platforms, Security/Authentication Technologies, Smart Energy Technologies (wireless power transmission, smart meters), Integration Technologies and Services, Authenticated services (Wireless Authentication)

Exhibition Fee (Space Only)

Booth size is 9 square meters (3m x 3m)

1 to 3 booth (s):

JPY 464,400 per booth (tax included)

4 booths or more:

JPY 442,800 per booth (tax included)

Booth Rental (Optional)

Shell Scheme Package Standard Plan for 9 sqm

JPY 108,000 (tax included)

- 1 x fascia board with company name board
- Punch needle carpet
- 2 x FL lights (40W)
- 1 x folding chair
- 1 x information counter
- 1 x display counter (W2890 x D495 x H900)
- 3 x spotlights (100W)
- 1 x power outlet (500W)
- Primary electrical fees (1KW)

*Please ask the secretariat for more shell scheme
